

THE BLACK SPARROW

FINE WINES & HIGH SPIRITS

Here at **the Black Sparrow**, we are committed to serving alcohol in a safe and responsible manner. Our full host responsibility policy can be found at all times on the bar.

This menu contains our full selection of both alcoholic and non-alcoholic drinks options, along with our full kitchen menu. Everything that we sell can also be taken into the cinemas, so you can enjoy a drink or some hot food with your movie.

If you're unsure of what you'd like and are after a recommendation, or you are considering our space for a function, please speak with one of our bartenders.
